Statewide Programs System of Change

Capitalize on agency improvement and training as an opportunity to foster a culture of community

Develop a culture of community among providers through fostering involvement & nurturing an expectation of support

Analyze program evaluations to guide improvement plans and training opportunities

Leverage
involvement to
identify outcomes
that are
significant,
developmentally
informed and
measureable

Incorporate
outcome data in
regular program
evaluation visits –
stress the role of
program
evaluation as
supportive rather
than punitive

Use outcomes to anchor a data system that is user friendly and easily integrated into service delivery
